General Information

- **Program Details:** ECC offers preschool classes for children ages 2 to 5, with small class sizes and flexible schedules. Information about our programs can be located at <https://www.eccpreschool.com/programs>.
 - **Morning Classes:** The Kindergarten Readiness program is Monday-Friday 9:00am to 12:20pm.
 - Preschool classes (2s, 3s, and PreK) will be run concurrently in other classrooms
- **Class Size:** ECC is proud to have low teacher/child ratios in its classes. Class size is not only determined by the size of the physical space, but also class makeup and age of the children. The Kindergarten Readiness program will have a maximum of 10 children.
- **Calendar:** ECC closely follows the Montgomery County Public School calendar for breaks and closings. Please see the ECC calendar on the website.
- **Summer Program:** ECC offers an optional six-week Summer Program from mid-June through July. Due to current COVID protocols, the program information for Summer 2021 is still being determined. Program information will be made available by the end of March 2021.
- **Information Sharing:** Please note that the family's mailing address, phone, email address, parent's and child's name along with his/her birth date will be shared with other ECC families in the form of a class list/directory. Email addresses will be added to the school listserv in order to maintain good communication between the school and your family. Parents are reminded that this information is to be used only for ECC business and not for other solicitations.

Enhanced COVID Protocols

With the safety of children and staff as a priority, we have developed ECC COVID protocols in compliance with directives from the Center for Disease Control (CDC), Maryland State Department of Education (MSDE), and the Montgomery County Health Department. We continue to monitor the COVID situation and may add to, or modify, any ECC policies, including these, as we believe may be necessary and appropriate.

Class Cohorts

- Children are assigned to classes of up to 10 children with 2 teachers in each classroom for the 2s, 3s, and Kindergarten Readiness program. Children are assigned to classes of up to 12 children with 2 teachers for the Pre-K classroom.
- Classroom groups are stable in that the same group of children and the same teachers remain in the same classroom throughout the day (cohort separation).
- Cohorts remain the same for the Afternoon Adventure.
- Only one group may use the outdoor playground area at a time. Play equipment is professionally cleaned between each group's use.
- Adequate supplies are available to minimize sharing of high touch materials to the extent possible (art supplies, equipment etc.) or are limited to use by one group of children at a time and cleaned and disinfected between uses.
- Classes will spend as much time outside as possible. Please make sure to send weather appropriate clothing.

Drop-off/pick-up protocols

- Student drop-off will be staggered; families are assigned a time to arrive at school.
- Adults and children over the age of 2 must wear masks on campus.
- Adults other than ECC staff will not be permitted to enter the ECC building.
- Health screening conducted at drop off which includes temperature check, whether the child or anyone in the household has COVID symptoms, any signs of illness in the child, or any recent exposure to COVID.
- Car and walker pick-up are conducted outside in the circle at the entrance to the property.

Healthy environment

- Adults and children over the age of 2 must wear masks on campus. Staff must wear a mask while working and at all times on campus.
- Masks will be worn at all times except while eating, drinking or resting. Masks will be changed anytime they are soiled or wet.
- Children and staff are required to wash their hands upon entry to the building, and frequently throughout the day.

The Early Childhood Center admits students of any race, color, religion, national and ethnic origins to all rights, privileges, programs, and activities and does not discriminate in administration of its educational and admission policies.

- Classroom windows are kept open, to the extent practical, to increase air flow. Air purifiers have also been added to each classroom.
- High-touch surfaces, such as door handles, light switches, faucets, toilets seats and handles are disinfected frequently. Bathrooms are thoroughly cleaned between each class.
- Classroom materials and toys are sanitized daily.

COVID symptom communication

- In the event that someone in the school community shows symptoms of COVID-19 or receives a positive test result, the director will call the County Health Department and MSDE Office of Child Care. The Health Department will review the situation and advise the school about procedures to follow, and if necessary, the length of closure of the facility and any quarantine requirements for staff, children and families. The director will then notify parents of any such directives.
- Families must promptly notify the school in the event that a child or any member of the child's household(s) will be traveling outside of the United States or to any location (including within the United States) that is experiencing a substantial number of cases. If a family travels to a state with a COVID-19 test positivity rate above 10% or a case rate above 20 per 100,000 the family will need to quarantine or submit PCR test results before returning to school.
