Program Details

Children ages two-years-old to five-years-old are invited to attend.
(Children must be two-years-old before the session begins)

Schedule for Summer Session:
Monday, June 14th – Friday, June 25th

Summer Tuition: \$414 Monday-Friday

Information About Our Summer Program

- The class will have an experienced teacher and assistant.
- Class size will be no greater than 13 children and will include mixed age groups. Age groups will be based on enrollment.
- ECC follows Maryland State guidelines for fingerprinting & background checks for all staff.
- ECC reserves the right to cancel classes due to low enrollment.

Important Registration Information

Please consider your vacation plans before signing up for the summer program, as payments are non-refundable. Each child who is not enrolled in ECC for the 2020-2021 or 2021-2022 school year will be charged a \$100 Registration Fee for the summer program.

Due at the time of registration:

- Completed registration form
- Payment for the 2021 summer session
- Child who is not enrolled at ECC for the 2020-2021 or 2021-2022 school year \$100 non-refundable Registration Fee

Enhanced COVID Protocols

With the safety of children and staff as a priority, we have developed ECC COVID protocols in compliance with directives from the Center for Disease Control (CDC), Maryland State Department of Education (MSDE), and the Montgomery County Health Department. We continue to monitor the COVID situation and may add to, or modify, any ECC policies, including these, as we believe may be necessary and appropriate.

Class Cohorts

- Children are assigned to a classes of up to 13 children with 2 teachers in the larger classroom.
- Classroom groups are stable in that the same group of children and the same teachers remain in the same classroom throughout the day (cohort separation).
- Only one group may use the outdoor playground area at a time. Play equipment is professionally cleaned between each group's use.
- Adequate supplies are available to minimize sharing of high touch materials to the extent possible (art supplies, equipment etc.) or are limited to use by one group of children at a time and cleaned and disinfected between uses.
- Classes will spend as much time outside as possible. Please make sure to send weather appropriate clothing.

Drop-off/pick-up protocols

- Student drop-off will be staggered; families are assigned a time to arrive at school.
- Adults and children over the age of 2 must wear masks on campus.
- Adults other than ECC staff will not be permitted to enter the ECC building.
- Health screening conducted at drop off which includes temperature check, whether the child or anyone in the household has COVID symptoms, any signs of illness in the child, or any recent exposure to COVID.
- Car and walker pick-up are conducted outside in the circle at the entrance to the property.

Healthy environment

- Adults and children over the age of 2 must wear masks on campus. Staff must wear a mask while working and at all times on campus.
- Masks will be worn at all times except while eating, drinking or resting. Masks will be changed anytime they are soiled or wet.
- Children and staff are required to wash their hands upon entry to the building, and frequently throughout the day.
- Classroom windows are kept open, to the extent practical, to increase air flow. Air purifiers have also been added to each classroom.
- High-touch surfaces, such as door handles, light switches, faucets, toilets seats and handles are disinfected frequently. Bathrooms are thoroughly cleaned between each class.
- Classroom materials and toys are sanitized daily.

The Early Childhood Center admits students of any race, color, religion, national and ethnic origins to all rights, privileges, programs, and activities and does not discriminate in administration of its educational and admission policies.

COVID symptom communication

- In the event that someone in the school community shows symptoms of COVID-19 or receives a positive test result, the director will call the County Health Department and MSDE Office of Child Care. The Health Department will review the situation and advise the school about procedures to follow, and if necessary, the length of closure of the facility and any quarantine requirements for staff, children and families. The director will then notify parents of any such directives.
- Families must promptly notify the school in the event that a child or any member of the child's household(s) will be traveling outside of the United States or to any location (including within the United States) that is experiencing a substantial number of cases. If a family travels to a state with a COVID-19 test positivity rate above 10% or a case rate above 20 per 100,000 the family will need to quarantine or submit PCR test results before returning to school.
